Sanction was accorded forthe employment for a period of three months from the date of appointment of a Deputy Surveyor and 3 chainmen for demarcation of the road limits in Hospet and Harpanahalli taluks in the reference cited above.

Fo 1070 Rev 2-5-39 (C)

2 The Special Deputy Surveyor has reported that the Hospet - Mysore Frontier road passes through S.Nos. 492 and 353 of the Harpanahalli and Machihalli villages of the Harpanahalli taluk and that these ~~fields~~ fields have not been surveyed. The fields through which the road passes are big waste blocks and the total length of this portion of the road is about 1½ miles. This was not included in the original list of lands for the survey of which the special staff was sanctioned. The omission was discovered while surveying the road in Shrotriem Ananthanahalli villages. In order to survey these two fields, I recommend that the special staff may be continued for a further period of 20 days. The President, District Board, Bellary, has agreed to this and has promised to send a copy of the resolution of the Board after obtaining it at its next meeting. A copy of his report C. No. 1092/38 dated 12-12-1939 is enclosed. As the appointment of the special staff ceases on 2-1-1940 I am retaining the staff in anticipation

anticipation of Board's approva_.
